Baby-sitting Circle

Do you have problems finding someone to look after your children while you have an evening out? Your problems are solved!

Bar Hill has two main baby-sitting circles, both run on a "token" system, which means that tokens are used as payment for a sitter - so no money changes hands. The other advantage is that your sitter will always be a mother, who, having children of her own, can be relied upon to act responsibly towards your children.

There is no obligation to baby-sit at any time and you can use the circle as often or as little as you want.

If you would like to know more about joining a circle, please contact either Chris McDermott **782401** or Jacky Amey **780249.**

Bar Hill Pre-School Playgroup

The Pre-School Playgroup is held in the Village Hall and is open to children from three years to school age.

Facilities include:

The messy room

This room is used for activities such as painting, drawing, water and sand play, cutting out, playdough, and making seasonal items.

The play room

This room is used for encouraging creativity and imagination through the wide range of toys available such as jigsaws, books, games, dressing up clothes, kitchen, workbench, playshopping and many more activities.

The Playgroup sessions are run by our four Supervisors, Brenda, Jan, June and Heather.

If you would like to have a look around or register your child, please feel free to pop in at any time, or contact our administrator, Jenny Dedman on **782037** before 7.00 pm.

Woodcraft Folk

'Woodcraft' means the skill of living close to, or in harmony with nature, like the Indians of North America. If we can learn to respect our environment, we can hope to make the world a better place for the future.

The **Elfin Group** is for 6-9 year olds and meets in the school hall on Fridays 5.45 - 7.00 pm.

We have had some exciting meetings over the last month and the children have especially enjoyed the parachute games and the stories and songs around our "campfire". As the weather improves we will be getting out and about more to explore our village environment.

All the parents play an important part at the meetings by helping on a regular basis; to the ones who already have, thank you and we hope you enjoyed yourselves. Thanks also to Eddie Sinclair for the wooden cubes.

We do have waiting lists for both girls and boys now, but you are free to come and visit to see what we do.

To register your child contact Christine Welburn **782978.**

For further information and to arrange a visit contact Heather Sales **780859.**

Other leaders are Jo Griffiths and Heather Sinclair.

Well they did it ! Just in case you have not heard, the under 11 team became our first ever league winners when they beat St. Ives Beavers 4-2 in their final match of the season. They will receive the league trophy at a ceremony in the Guildhall, Cambridge on 12th June. For the record, the lads who achieved this feat were : David Grant, Lee Kempton, Justin Aves, Richard Watson, Dominic Brown, Liam Hares, Oliver Youd, Kevin Houston, Stephen Westbury, Lee Allison (top scorer), Craig Verrinder, Christopher Hodierne, Paul McMullen, William Davis, Gavin Flavell, Imran Khan, André Benatar, Neil Jenkins and Jeremy Jones.

Our under 10 team played in the Knock-out cup final on May 16th and were very unlucky to lose 2-1 to Ely Crusaders. The lads were in front at half time thanks to a goal from Ross Peterson, but their opponents equalised just before the end of full time, and sneaked a winner in the dying minutes of extra time. The team certainly did credit to Bar Hill Colts.

At the Club presentation evening on 15th May, three Cambridge United players, Gary Clayton, Paul Raynor and John Vaughan presented trophies to:

Team	Manager's Player	Players' Player	Most Improved Player	Clubman
Under 10	Luke Handley	Alex Ravell	Chris Cooper	James Chapman

Plus a special trophy to Devinder Sian for his excellent improvement in the left back position over a four year period. Devinder and his family are shortly leaving the Village, and we wish them all well for the future.

Under 11	David Grant	Dominic Brown	Lee Kempton	

Supporter of the year - Peter Allison

Under 12	Dave Thompson	Danny Graham	Chris Brading	Chris Wilson

Player of the year - Trevor Chapman

The lads from this team presented their manager, Jack Fleming, with a 'trophy' of his own to mark his 'retirement' from managing the team, after 7 years.

One person within the Colts club gives a great deal of her time to organising the teams, fixtures, pitches, dealing with the league and generally ensuring that the Club continues to function properly. To mark our appreciation of this commitment, Dianne Chapman, our Secretary, was presented with flowers from all the teams. Grateful thanks were also given to those parents, supporters, referees etc. without whom the teams could not function.

Also at the presentation evening, the winner of the Club Badge competition was announced. Congratulations to Stephen Westbury of the Under 11 team, who designed the winning entry. Stephen was presented with a sweat shirt, printed with the new badge. All team strips will carry the badge from next season.

On the subject of next season, planning has already started. Two teams, the 1993/94 Under 15s and Under 16s, need a few new players. Anyone interested should contact Bob Cordiner **781539** Under 15 or Dave Kember **782118** for Under 16.

We also require for next season someone to manage the Under 8 team. If you are interested in continuing the development of football in the Village, please contact Dianne Chapman or any committee member. The Club's AGM will be held in the School at 8.00 pm on 22nd June. All parents and supporters are welcome to attend and nominations are required for the posts of Chairman, Vice Chairman, Treasurer & Secretary.

Fund raising continues during the summer, so please note the following dates in your diaries:

26th June - Village Fete - at which we will be running two stalls.

3rd July - Parents/supporters barbecue and disco in the School - 8.00 pm - 12.00 pm - Licensed bar - tickets available from Secretary and managers.

4th July - Dads' Five-a-side Tournament (hang-overs from the previous evening permitting!).

On the subject of fund raising, a recent trip to greyhound racing at Walthamstow was very successful and our thanks go to the organisers, Chris Houston and Pauline Kember. Some comments were made about several managers 'going to the dogs' but I heard that that had happened years ago !

Just as a final note, and back to the playing side, I cannot yet confirm the final league positions except for the Under 11s (I deny the rumours that Houston and Watson are still celebrating). I will include these in next month's article if the editor will allow me space after this month's lengthy item.

Cricket Club News

The first team has had a mixed start to the season with losses to Over in a friendly match and to Babraham I in the Cambridge Cricket Association Cup, but winning the first League match against Ramsey after an exciting finish.

Our second team won their match in the League against Burwell St. Regis on Parkers Piece. The weather turned cold towards the end, but we were warmed by our victory.

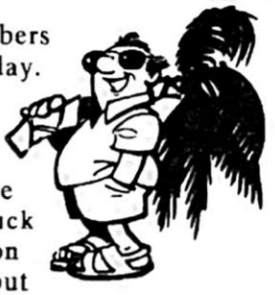
Happy Hours
Bar Hill Senior Citizens club

May I open with an apology from Olive Barber, who is still indisposed and sincerely trusting she will be taking up the pen once again in the not too distant future. Get well, Olive, we are all rooting for you. While I am still on the sick-list, Hilda Collett is now out of hospital following her fall which resulted in a broken hip which needed replacement and meant the deferment of her trip to Australia. Lilian Gilbert is undergoing a series of X-rays for kidney problems, Winny Asprey is having skin grafts on both legs following a nasty fall and Mary Eccles who recently had a fall is getting over it - it would appear you are not taking enough water with your whiskies ladies! On behalf of all the Happy Hours, may I wish you all a speedy recovery, and come back to us as soon as you can. Please remember we do operate a car shuttle service if you need us! We are only a telephone away, so if you need help, consolation, company, do give us a ring.

Summer holiday - Newquay

How can one best describe such an enjoyable holiday; beautiful weather, magnificent hotel, too much food (for some); it was a most enjoyable trip but possibly a little far and tiring for some because of the long mileage entailed. Perhaps next year we should give thought to somewhere nearer to home - do tell me what you feel and suggest another spot on the south coast. Someone thought that a trip abroad would be ideal, but we would have to think very seriously of the possible problems it would entail. The entertainment provided by the hotel was superb. Unfortunately we could'n't have the party on the last Friday evening we had hoped to give because there was no music to round off the evening, but the hotel did provide horse-racing for a very good charitable cause and once again our many thanks to those winners who gave their winnings to the charity; thanks a million. Our party hostess "Madam Phyllis" managed to get a few party games in full swing and I cannot but laugh at the fun we had with the balloon games. Would some of you please check what happened to some of them - we noticed at our Happy Hours meeting on the following Monday that some of you were walking in a most peculiar manner - I hope it isn't too painful ladies? What about the seagulls, were'n't they something? Two pecked noses and fingers. Joe Davis was the one who lost his pasty to the birds - he should consider himself extremely fortunate it was only his pasty - at least he did his kind deed for the day ensuring they would'n't go hungry. Please let me have your insurance claim Joe! During our week's rest we had two birthdays, Marguerite Bentley and John Birley, two of our younger members, still only in their eighties! A birthday cake was provided for them both, plus several resounding choruses during the day of "Happy Birthday". Our good samaritan Stan Dixon made an enormous birthday card for Marguerite, but some idiot would use the birthday card as a billboard and display in the restaurant just to make sure everybody apart from the Happy Hours members knew it was Marguerite's birthday. Thanks, Stan for your kind effort for such a beautiful card. Up until the eve of departure several members were suffering the bug which has struck Bar Hill, and their departure on holiday looked very unlikely, but they all managed to make it apart from Lilian Gilbert and Mary Eccles who had their own problems. Sorry you missed it, Ladies, we did think of you, and never mind there will always be next year. I cannot conclude this holiday fiasco without a word of thanks (well not just a few) to our coach/ driver liaison officer, sweet purchaser and dispenser, raffle organiser, numbers co-ordinator (I did'n't know he could count), liftman on and off the coach - I took exception to the role he played here, whenever he offered me his hand it was always with the words" come on you silly old b....." what was necessary to ensure everything was done for our comfort, need I say more? SID THE KID, ably assisted by his better half Ruby. Thanks to you both, your efforts are always deeply appreciated! Our sincerest thanks to Terry Barnes for once again undertaking transportation to and from the coach.



Fete - 26th June

A resounding show of hands at our last meeting confirmed that our members would like the club to take part in this year's fete on the Village green. We did so well last year, so now's the time to give thought to jam making, cakes, plants, knick-knacks, in fact anything we can sell - did'n't we do well last year? A word with Madame Phyllis will advise you of her requirements and any help would be appreciated.

Food - lunches.

We are now entering the salad season - yes soups are now OUT but give us some idea of your salad preferences - our lovely catering ladies do so much aim to please within reason.

General words of thanks to members

Several of our members, although not wishing to serve as committee members, do each week so ably assist us in helping to close our meeting, either collecting the crocks, washing and drying up, gathering the chairs, stacking the cushions and all manner of helping. I would like to take this opportunity on behalf of the committee and other members of saying how much we do appreciate your valuable help and contribution to the successful running of the club. THANKS TO YOU ALL.

Future Monday reminders.

First Monday in the month - the sales tables under the care of Edie and Olive, Second Monday - Raffle under the care of Sid, and this month on the third Monday, 21st June, we are having an arts and crafts table so all you clever arty and crafty people bring along your endeavours! The sales table will have the usual percentage.

Policing in Bar Hill

Springtime, and a young man's (or woman's) thoughts turn to - gardening!! Over the last few weeks a number of garages and garden sheds have been entered and power tools and gardening items stolen. Please keep them locked.

Get a grip on litter

I would like to thank all those people, in particular the young children, who turned out on our annual litter bust despite the rain. Many people have since commented to me on how tidy the village looked after our efforts. In appreciation of our efforts the national Tidy Britain Group have sent me a certificate which will be displayed on the Parish notice-board.

The Salvation Army

On behalf of the Cottenham Salvation Army, may I express our grateful thanks to the residents of Bar Hill for their most generous support for our Annual Appeal, when just over £900 was collected, (which is a record). Thanks are also due to Mrs. Gilks and members of the 1st Bar Hill Scout Troop for enveloping the village, and to Cornerstone Estate agents for allowing us to use their office as a collecting point for donations from people who were out when the collectors called.

Panmure School of Dance

'Celebration of Dance' & 'Nutcracker suite', performed at the Mumford Theatre on May 21st & 22nd involved over 80 boys and girls from Bar Hill, from toddlers to teenagers. Their hard work over the last few months was well rewarded by the excellence of the performances. All the dancers obviously enjoyed themselves and thoroughly entertained the audience.

Congratulations to all the dancers and to the many willing hands back stage!

Dear Editor,

It is so sad that yet again the subject of dog fouling has to be raised, but I was so disgusted by what happened, that I felt it needed to be remarked upon.

As a parent of two Pre-school aged children I am having to be constantly aware of where their feet are heading whilst walking through the Village (I'm sure many parents can relate to that).

Quite often we are passed by dogs and their owners without incident, but just recently, one of the older citizens of Bar Hill passed with their dog, stopped a few feet from my youngest child and allowed it to foul the grass on the edge of the Village green, having no intention of clearing up the mess. I approached the person in question, asked for it to be cleared up and was promptly side stepped, the owner and dog disappearing up the hill. We are all too eager to moan about the youths hanging around the Village, the kids playing football too near to our houses, but they are not a health risk. Its time we educated by example - if small children see this sort of thing done by an **adult**, what can we expect of **them**.

A very concerned parent
Pheasant Rise.

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 20th May at 7.30 pm in the Old Farmhouse.

PC R. Morris PC Morris, the officer with responsibilities for Bar Hill, Lolworth, Dry Drayton, Coton and Madingley, gave a brief talk to the Councillors. He is particularly keen to encourage the implementation of Neighbourhood Watch Schemes in the Village. He stressed that these are not run by the Police and rely on the residents' participation for their success.

Planting of Oak trees around the Perimeter of the Village Mr. T. Flanagan reported that he had now completed the planting of oaks around the outside of the Village. He asked the Councillors for their co-operation in watering and monitoring the condition of the trees, especially while they are getting established.

Parking in the 'Hammerhead' by the School Once again, concern was expressed by all Councillors at the danger to children caused by parents driving up to the 'hammerhead' to drop children off at School and, again, in the afternoon to collect children. This matter had been raised by a resident who was extremely concerned about the safety of the children. Although this matter was, strictly speaking, a School concern, the Parish Council felt that the situation had remained unresolved for too long and the Clerk was asked to contact the Education Authority of Cambs. County Council to see if they would assist in the matter.

Allotments Society: Request for permission to replace shed The Chairman of the Allotments Society had requested permission for his Society to replace their shed with a concrete building for the storage of tools. He also asked whether the Parish Council could make a donation or loan towards the cost of the replacement. Although the Councillors were sympathetic towards the Society's need to replace the shed with a more permanent structure, they asked that the matter be raised again with the Parish Council once the Allotments Society had discussed the matter in more detail at their AGM on 27th May.

Village Twinning The Clerk will be investigating the possibility of twinning Bar Hill officially with a Village overseas.

Parking problems in residential areas of the Village The Clerk would be requesting the County Council Highways Department to discuss the problem of residents' parking in areas such as Otter Close. It was suggested that it may be feasible to allot further areas for parking so as to ease the present problems.

Mrs. C. McDermott,
Clerk to the Parish Council,

TESCO Computer Vouchers

I should like to thank all those people who have continued to donate their TESCO computer vouchers for the school. Each time we go to the box in the Post Office, we are really amazed at the amount of vouchers people have popped in there. I must also thank all those other people who are sending vouchers to school with the children.

You will be interested to know that at today's level we have saved nearly 7000 vouchers. I believe the project runs until well into June, so I look forward to telling you eventually just what equipment we were able to obtain through your generosity.

Again the thanks of all the teachers and all the children.

To former pupils of Bar Hill School and their parents

I am sure that a good many of you reading this will be interested to learn that **Mrs. Copping** is to retire from teaching at the end of this term. In the past 13 years, Yvonne Copping has had a tremendous influence on the education of hundreds of Bar Hill children, and I know that a great many of you, both parents and former pupils, will remember her with affection. It is intended to hold a reception to mark Yvonne's retirement on Wednesday 21st July and I shall include more details of this event in the July edition of Bar Hill News.

I am sure, however, that many of you would wish to contribute to the appeal which the Governors are launching, to fund a retirement gift. Children from the Village College will be bringing home a letter asking if you would like to contribute, but those of you who remember Yvonne and whose children are no longer at school may of course send your donations to the school in an envelope simply marked "Mrs. Copping's Gift".

Thank you for reading this letter

Yours Sincerely

Roger Kilsby, Headteacher

This competition is open for 7 to 15 years of age and 16 years and over. There will be a £5 gift token for the winner of each section. The recipe below has been chosen for its simplicity and economy, so come on all you cooks of all ages, let's see how many cakes we can put on the table for the judging! Please put your name and telephone number on a label and indicate if you wish to have your cake returned or put up for auction at the end of the afternoon.

All Our Yesterdays

10 years ago

At the AGM of the Parish Council, Tom Flanagan was elected Chairman and Mike Duce Vice-chairman.

Following an approach by the Parish Council, Wimpey's were investigating the cost of installing a water supply to the Allotments site.

The Sunshine Playgroup had managed to purchase a mobile classroom, and thanked the Parish Council for offering the site next to the Farmhouse. Installation of the building was being planned for the last weekend in June.

On June 8th there would be the Church's first Service of confirmation, at which candidates would be received from all five denominations. The Bishop of Ely would be Preacher.

For the youngsters, a list of activities available at the Community Primary School was provided, as well as some of those at Swavesey VC to which there was evening transport available.

Nature Reserve

Oh to be in England, now that May is here ....not quite the same as the poem but still nice to be in England in May.

At the pond, Damselfly nymphs have been seen crawling up the stems of the flag iris, the surface of the water is still being colonised by insects such as Pond Skaters, Water Measures, Water Boatmen, Whirligig Beetles, Red Water Mites and several types of spider which race about on the surface film in search of prey.

On the grassy banks, the Coltsfoot has now finished flowering, and is letting its white seed be blown by the wind. The Cowslips have all but finished but now the Buttercups are taking over and the plants in the pond are growing well, with the Iris in flower very soon (watch this space or rather that space !).

The list of birds is quite extensive in or around the reserve (I will be printing a list soon) but one bird which did catch my eye or rather my ear was the Blackcap, whose song attracted my attention near the big oak in the wooded section of the bridleway (and not Bridalway, as I saw recently)

An appeal to the horseriders who use the bridleway around the reserve 'PLEASE stick to it, and don't force your horse to climb the steep banks around the sides', not only does it make a mess but it is also dangerous for the horse and yourself, and to the cyclists who have ridden through part of the marshy area of the main pond PLEASE DON'T, it spoils it for wildlife and people. Remember....

TAKE NOTHING BUT PHOTOGRAPHS, LEAVE NOTHING BUT FOOTPRINTS. Thank you.

Nick Richardson, Warden
